SUMMARY (including information on budgeted matters)

This item is to request approval of an Award of a Purchase Order to SWARCO Colorado Paint Company for striping lines on County roads at a cost not to exceed \$272,062.50 (MAPO Agreement #4714).

BACKGROUND (including information on budgeted matters)

The Department of Public Works (Highway Division) is requesting a purchase order for the purchase of white and yellow road paint used for striping roads throughout El Paso County. This paint is designed to be durable and withstand traffic and weather conditions. DPW-Highway applies this paint to County roads with a specialized road-striping truck. The paint is combined with glass beads to form a reflective blend which makes road traffic lines more visible during nighttime and increases longevity.

The amount needed for the end of the year is \$272,062.50 worth of white and yellow road paint. Purchase of this paint will be done under a cooperative contract under MAPO agreement number 4714.

SWARCO Colorado Paint Company is located in Aurora, Colorado.
