**To:** Board of County Commissioners

**From:** Caroline Joy, Emergency Management Specialist - Pikes Peak Regional Office of Emergency Management

**Agenda Wording:** Resolution approving an Ambulance Service License to Children's Hospital Colorado.

#### SUMMARY (including information on budgeted matters)

The Pikes Peak Regional Office of Emergency Management recommends that the El Paso County Board of County Commissioners (BoCC) approve the issuance of an Ambulance Service License to Children's Hospital Colorado.

This Ambulance Service License will be effective as of February 1, 2024 and will expire June 30, 2024.

#### BACKGROUND (including information on budgeted matters)

Children's Hospital Colorado contracts with American Medical Response, Inc. ("AMR") for ground ambulance transport services, and AMR holds a current license to operate ground ambulance services in El Paso County, Colorado. Due to changes in state law, Children's Hospital Colorado requires an ambulance license to effect billing until July 1, 2024, but does not own or operate ground ambulance services. Children's Hospital Colorado has duly completed and provided all required licensing information in relation to their contract with AMR for ground ambulance transport services.
