EL PASO BOARD OF COUNTY COMMISSIONERS

AGENDA ITEM SUMMARY

Date: Tuesday, September 24, 2024 Item No. 6.d.

To: Board of County Commissioners

From: Kevin Mastin, Executive Director - Department of Public Works/Joshua Palmer, County Engineer

Agenda Wording: Resolution to approve a Joint Trench Agreement between El Paso County and Qwest Corporation d/b/a CenturyLink QC for the Highway 105B Project

SUMMARY (including information on budgeted matters)

The joint trench agreement allows Qwest Corporation d/b/a CenturyLink QC (“Qwest”) to install communication cable into conduit in a utility trench owned by the County and within the County’s right-of-way, which utility trench will also be occupied by facilities belonging to the County and other utility providers.

BACKGROUND (including information on budgeted matters)

The County is constructing improvements along Highway 105 from Lake Woodmoor Drive to Martingale Road, known as the Hwy 105B Project (Project). Qwest has existing facilities within the Highway 105 road right-of-way that requires relocation to accommodate the Project. The El Paso County Department of Public Works, Transportation Division, has identified a need to enter into a Joint Trench Agreement (Agreement) with Qwest to accommodate the facilities and other utility facilities in a single location. The joint trench assists with increasing organization and decreasing construction duration of the Project

ESTIMATED TIME FOR PRESENTATION

 3 minutes

FINANCIAL IMPLICATIONS

Business Year: 2024 Subject to TABOR? NO
Fund:
Funding Amount: \$0.00

Increase to original adopted Budget	\$0.00
Net Cost to County:	\$0.00
Total Project Cost:	\$0.00
