#### SUMMARY (including information on budgeted matters)

Resolution to accept a grant award from the Temple Hoyne Buell Foundation

#### BACKGROUND (including information on budgeted matters)

DHS requested \$20,000.00 for the purpose of supporting the Fathering is for Life parenting curriculum to include class materials, incentives for class participants, marketing the Center on Fathering program in the community, and to support social networking for fathers. The grant would assist in providing incentives in the form of gift cards to fathers who complete half of the classes and then again at the end of the course. The grant would additionally support recruitment and retention efforts to engage fathers in parenting education and their children's lives. It will provide funding for a positive social support network established for fathers and their children in the region.

The BoCC approved the submittal of the grant application through Resolution 24-154 on April 9, 2024. This action is the award of a grant from the application
