### EL PASO BOARD OF COUNTY COMMISSIONERS

#### AGENDA ITEM SUMMARY

**Date:** Tuesday, February 3, 2026 Item No. 11.a.

**To:** Board of County Commissioners

**From:** Jack Ladley, Executive Director - Department of Public Works/Joshua Palmer,  
County Engineer - Department of Public Works

**Agenda Wording:** 2026 Paving and Preservation Program

#### SUMMARY (including information on budgeted matters)

The Department of Public Works has finalized the 2026 Paving and Preservation Program list and wishes to present our plans for annual roadway maintenance for the upcoming year

#### BACKGROUND (including information on budgeted matters)

El Paso County owns and maintains 2429 lane miles of paved roads and has been advancing processes to inspect, analyze, and safely improve the overall health of our roadway network with a goal of incremental improvements to our pavement condition index (PCI). In December the Board of County Commissioners approved the 2026 balanced budget which includes continued funding specific to roadway maintenance, which is essential to meeting the department's goals. Each year the department establishes a list of roadways that will receive paving and/or preservation treatments, aligning with the approved budget and overall goals of El Paso County.
