SUMMARY (including information on budgeted matters)

This item is to request the approval of the Third Amendment and Change Order to Wear Parts & Equipment Co., Inc. for Cutting Edges Materials for the Department of Public Works – Fleet & Highway Divisions at a not-to-exceed amount of $50,000.00 (SOQ-23-124).

BACKGROUND (including information on budgeted matters)

The Department of Public Works (DPW) – Fleet & Highway Divisions use cutting edges for County equipment, to include bulldozers, motor graders, backhoes, skid loaders, front end loaders, Gradalls, snow equipment, and light duty pickup trucks. The cutting edges are the wear items attached to equipment allowing the equipment to work, perform various tasks from ditching, to excavating holes, to road maintenance, snow removal operations, and anywhere repetitive motions incur wear on equipment. The proposed amendment will allow DPW to purchase more of this equipment and keep up with increased demand.

A Statement of Qualifications was advertised on September 27, 2023, and four (4) proposals were received on October 25, 2023. After a thorough review and evaluation, the Department of Public Works-Highway Division recommended an award to Wear Parts & Equipment Co., Inc.

Wear Parts & Equipment Co., Inc. is located in Aurora, CO.

Backup information for this item is available for review in the Contracts & Procurement Division.
