Groton Beautification Committee Meeting

Monday November 19th, 2018

Roll call: Rachel Franco, Lian Obrey. Absent, Joy and Bruce

Resignation of Dana, Bruce will be way until April, and Joy was unable to attend tonight.

Minutes from the 9-10-2018 meeting were approved by Lian, 2nd by Rachael passed 2-0-0

COMMUNICATIONS: Lian introduced Trish Cunningham. Trish has been deeply involved with the Mystic Chamber of Commerce as well as the director of development at the Dennison Nature Center. She is currently the Director of Community relations at Fairview. Lian expressed hopes that she will become a member of the beautification committee as well. Lian has also spoken to a Grant Committee and will be inviting them to help with the grant writing. Also, Melissa Barry from Morning Glory Gardens has been invited by Lian to help guide us.

Rachel has sent an email to all members with a write up on cities beautifying their gateways. This read should spark ideas on how we can get started with our goals.

Meaghan called the Cigarette/Litter Prevention program and left a message about our committee and also asked about grants.

Dawn has started our FaceBook page along with twitter and Instagram accounts. She asks that we all like and share the page. We all look forward to sharing ideas and posts on these media sites.

Ann asked the important question, who is the Treasurer for this committee? Rachel answered that the town Finance department is in charge of all monies collected and spent.

APPLICATIONS: Lian brought up that it may be in error to have council members on this committee. Rachel feels that it is not in conflict. They will check into this matter.

There are now openings for Board members as some people have had to step down.
